

<u>App</u>	<u>Price*</u>	<u>Description</u>
English		
ABC PocketPhonics Lite** 	Free	Helping children to learn to read by understanding the sounds that letters make.
Phonic Street** 	Free	Pave the way to phonic success with a trip down Phonic Street with Millie and Mike (and their tandem bike). This fun, interactive, educational app uses a busy high street as the context for developing phonic awareness and understanding.
Meet the Alphablocks! 	Free	A mini-app introducing each of the Alphablock letters with an animated song.
Endless Reader** 	Free	This app introduces "sight words", the most commonly used words in school, library, and children's books. Kids need to recognize these words by sight in order to achieve reading fluency.
Phonics Genius** 	Free	One of the best ways to rapidly learn how to speak, read, and recognize words is through phonic awareness. This app is specifically designed to help students recognize and distinguish words by sounds.
BBC CBeebies Storytime 	Free	The CBeebies Storytime app is filled with free story books for young children and is a great way to enjoy reading books with your little one. Open the book to discover a world of stories featuring much-loved CBeebies characters; turn the page to find your favourite story and visit the library to choose new stories.
Twinkl Phonics Lite 	Free	The Twinkl phonics App is designed to support children in developing some of the key skills taught in Phases 1-5 of the DfES Letters and Sounds Document.
Squeebles Spelling 	£2.99	Perfect for 5 to 11 year olds, Squeebles Spelling Test allows you to set up completely personalised spelling tests for your children, giving them the opportunity to practise in a fun, interactive way. You input the exact words your children need to learn, recording them in your own voice.
Teach Your Monster to Read** 	Free	Teach Your Monster to Read is an award-winning game that's helped over a million children learn to read.
EduKitty ABC 	Free	EduKitty ABC is designed to help kids ages 1-6 to learn to read and write the English alphabet, spell words and phonics in a very fun way! Unique among the hundreds of programs aimed at children.
Hairy Letters** 	£0.79	Learn the names and sounds of each letter with the Hairies. AWARD WINNING APP! Education Resources Award.
Read Me Stories 	Free	A new book EVERY DAY develops your child's love for books and a daily reading habit.
Montessori Reading 	Free	Transform your child's learning journey into an adventure with colorful characters and proven Programmed Reading methods used in schools across the country.

Toontastic** 	Free	Toontastic is a creative storytelling app that enables kids to draw, animate, and share their own cartoons with friends and family around the world. With over 14 million cartoons created in 200+ countries, parents and teachers rave about the app... and kids can't stop creating!
Book Creator 	£3.99	Book Creator is the simple way to make your own beautiful ebooks, right on your iPad.
Cinderella - Nosy Crown animated picture book 	£3.99	This is a delightful and multi-award winning app. Enjoy the story with its great illustrations and interactive animations. The app maximises all the iPad's features including the front camera to include the reader in the scenes!
Popwords! 	Free	A classic wordfinder app. As you make words from adjoining letters they 'pop' and new letters fall into the spaces. There are a variety of options and you can build up from practising to timed challenges.
Collins Big Cat - Around the World 	Free	This is another great animated book for young readers by Collins. Children have several options: have the story read to them, read the story themselves, adapt the images to create their own story.
ABC Mysteriez Hidden Letters 	Free	All the letters of the alphabet are hidden away within super detailed images. There is a sense of competition with a timer ticking away as they seek all the letters.
Word Bingo** 	£0.69	Children locate the correct words, tap on them and try to get a complete row. With success comes rewards - they can collect bugs and play a target game, flinging the bugs around the screen.
Epic!** 	Free	Epic! is the leading all-you-can-read eBook library for kids 12 and under offering unlimited access to over 10,000 high-quality children's books, now including thousands of read-to-me and Audio books.

Maths

Myblee Math** 	Free	Crafted by teachers, myBlee Math covers kindergarten to sixth grade Math (5-12 year old children) with thousands of exercises, manipulatives, video lessons, and adaptive feedback, all aligned to Common Core, TEKS, and other high-quality standards.
Slice Fractions 	£2.99	This award-winning, problem-solving game is an incredibly fun way to learn fractions. Thanks to the game's research-proven effectiveness, kids get a head start at school while having fun with fundamental math concepts.
Todo Math** 	Free	Designed and endorsed by educators, aligned to school standards, and recognized for superior game design - Todo Math's early elementary curriculum is ideal for learning foundational math skills at home and in the classroom.
Up to 100 	£2.29	Discover the numbers up to 100 by having fun with 6 activities!
Math Bingo 	£2.29	The object of Math BINGO is to get a pattern of five BINGO Bugs in a row by correctly answering math problems.

Splash Math 	Free	Splash Math - 2nd Grade app is a collection of fun and interactive math problems aligned to Common Core Standards. The app reinforces math concepts with self-paced and adaptive practice anytime, anywhere.
AB Maths 	£1.49	AB Math is a mental math game for kids from 5 to 10.
Squeebles Times Tables 	£2.99	Perfect for 5 to 11 year olds, Squeebles Times Tables 2 allows them to practise their times tables in the most fun and interactive way possible. By answering times tables questions, children help Whizz to rescue the Squeebles from the clutches of the nasty Maths Monster and earn a multitude of rewards, as well as earning turns on two great mini-games.
Hungry Fish** 	£2.29	Feed your fish and play with numbers! Practice mental addition and subtraction with Motion Math: Hungry Fish, a delightful learning game that's fun for children and grownups.
Math Blaster HyperBlast 	Free	Cadet, hop on your HyperCycle and discover the intergalactic adventure that adds up to total fun! Outsmart the alien robots, blast through the razor sharp blockades and speed past the stars on this mega-math adventure. The universe is counting on you do you have what it takes to complete the mission?
Other		
Puppet Pals** 	Free	Create your own unique shows with animation and audio in real time!
Lego Super Heros Movie Maker 	Free	Children (and their teachers!) love stop-animation. Wallace and Gromit, Morph, Shaun the Sheep - all great examples of animation. There are lots of examples of animation software available for PC's and school networks but this app is a great, value-for-money start to stop animation.
PicCollage** 	Free	PicCollage has everything you need to create amazing collages with your photos
QR Code Reader** 	Free	To scan a QR code or barcode simply open the app, point the camera at the code, and you're done! There is no need to take a photo or press a button. The app will automatically recognize any code your camera is pointing at.
Comic Life 	£3.99	The app with everything you need to make a stunning comic from your own images. Packed with fonts, templates, panels, balloons, captions, and lettering art, Comic Life is a fun, powerful and easy-to-use app with endless possibilities.
Singing Fingers 	£0.79	Singing Fingers lets you finger-paint with sound. Just touch the screen while you make a sound, and colorful paint appears. Touch the paint to play back the sound again!
Scratch Junior 	Free	With ScratchJr, young children (ages 5-7) learn important new skills as they program their own interactive stories and games.
Bee Bot 	Free	The new Bee-Bot App from TTS Group has been developed based on our well-loved, award-winning Bee-Bot floor robot. The app makes use of Bee-Bot's keypad functionality and enables children to improve their skills in directional language and programming through sequences of forwards, backwards, left and right 90 degree turns.
AudioBoo** 	Free	It is both a web and mobile platform that easily lets you record and share audio with the world using a computer or one of Apple's mobile devices.

See Saw** 	Free	Seesaw is a student-driven digital portfolio that empowers students of any age to independently document what they are learning at school and share it with their teachers, parents, classmates, and even the world.
Evernote** 	Free	Let Evernote change the way you organize your personal and professional projects. Dive in: take notes, create to-do lists, and save things you find online into Evernote. We'll sync everything between your phone, tablet, and computer automatically.
Green Sceen 	£2.29	The #1 Green Screen app for the iPad in Education, now available for the iPhone too! Green Screen by Do Ink makes it easy to create incredible green screen videos and photos. Classroom-tested by kids and teachers, this app emphasizes ease-of-use and simplicity while still enabling fantastic results.
Morfo** 	Free	Use Morfo to quickly turn a photo of any face into a talking, dancing, crazy 3D character!
iTunesU 	Free	iTunes U provides everything an instructor needs to bring the classroom together on iPad—build lessons with apps and your own materials, collect and grade assignments from students, discuss one-on-one or in groups, and annotate PDF assignments.
